In making this decision, the designee of a local public body shall take into account the estimated value of the services to be rendered and the scope, complexity and professional nature of the services. Should the designee of a local public body be unable to negotiate a satisfactory contract with the business considered to be the most qualified at a price determined to be fair and reasonable, negotiations with that business shall be formally terminated. The designee of a local public body shall then undertake negotiations with the second most qualified business. Failing accord with the second most qualified business, the designee of a local public body shall then undertake negotiations with the second most qualified business. Failing accord with the second most qualified business, the designee of a local public body shall formally terminate negotiations with that business. Bid security shall be required of bidders for construction contracts procured by competitive sealed bid when the price is estimated by the procurement officer to exceed twenty-five thousand dollars ($25,000). Bid security in an amount equal to at least five percent of the amount of the bid shall be a bond provided by a surety company authorized to do business in this state; or the equivalent in cash, or otherwise supplied in a form satisfactory to the County.

10.2 Directed Suretyship Prohibited: Penalty
A. Except to the extent necessary to ensure that a surety company meets the requirements of Subsection A of Section 13-4-18 NMSA 1978, an employee of the state or its political subdivisions, or a person acting or purporting to act on behalf of that employee, shall not require a bidder or an offeror in a procurement for a construction contract pursuant to the Procurement Code (13-1-28 NMSA 1978) to make application or furnish financial data for a surety bond or to obtain a surety bond from a particular surety company, insurance company, broker or agent in connection with the bid or proposal.

10.5 BONDING OF SUBCONTRACTORS
A subcontractor shall provide a performance and payment bond on a public works building project if the subcontractor’s contract for work to be performed on a project is fifty thousand dollars ($50,000) or more.

A Multiple Source Award may be made pursuant to Section 13-1-110 NMSA 1978 of the Procurement code when awards to two or more bidders or offerors are necessary for adequate delivery or service. Multiple source awards shall not be made when a single award will meet the needs of the County without sacrifice of economy or service. Awards shall be limited to the least number of suppliers in one geographical area necessary to meet the requirements of the County. A multiple source award shall be based upon the lowest responsible bid or proposal received in each geographical area.

11.2 MULTIPLE SOURCE AWARD: DETERMINATION REQUIRED
The Procurement Officer shall make a determination setting forth the reasons for a multiple source award.

12.0 REJECTION OR CANCELLATION OF BIDS OR PROPOSALS

12.1 CANCELLATION OF SOLICITATIONS OR REJECTION OF ALL BIDS OR PROPOSALS
A) Prior to opening:
   i) As used in this section, "opening" means the date set for opening of bids or receipt of proposals.
   ii) Prior to opening, a solicitation may be canceled in whole or in part when the Procurement Officer makes a written determination that such action is in the state's best interest for reasons including, but not limited to:
       a) the services, construction, or items of tangible personal property are no longer required;
       b) the County no longer can reasonably expect to fund the procurement; or
       c) proposed amendments to the solicitation would significantly change the nature of the procurement.
   iii) When a solicitation is canceled prior to opening, notice shall be sent to all businesses solicited. The notice shall:
a) identify the solicitation;
b) briefly explain the reason for cancellation; and
c) where appropriate, explain that an opportunity will be given to compete on
any resolicitation or any future procurements of similar services, construction,
or items of tangible personal property.

B) After opening.

i) After opening but prior to award, all bids or proposals may be rejected in whole or
in part when the state purchasing agent or central purchasing office makes a
written determination that such action is in the state's best interest for reasons
including but not limited to:
   a) all of the bids and proposals are nonresponsive;
   b) the services, construction, or items of tangible personal property are no longer
      required;
   c) ambiguous or otherwise inadequate specifications were part of the solicitation;
   d) the solicitation did not provide for consideration of all factors of significance
      to the using agency;
   e) prices exceed available funds and it would not be appropriate to adjust
      quantities to come within available funds;
   f) all otherwise acceptable bids or proposals received are at clearly unreasonable
      prices; or
   g) there is reason to believe that the bids or proposals may not have been
      independently arrived at in open competition, may have been collusive, or
      may have been submitted in bad faith.

   ii) A notice of rejection should be sent to all businesses that submitted bids or
       proposals, and it shall conform to Paragraph (3) of Subsection A of this section.

12.2 REJECTION OF INDIVIDUAL BIDS OR PROPOSALS:
A) Reasons for rejection.

   i) Bids. As used in this section, "bid" includes both competitive sealed bids and
      small purchase quotations. Reasons for rejecting a bid shall include but are not
      limited to:
      a) the business that submitted the bid is nonresponsive; or
      b) the bid is not responsive; or
      c) the service, construction, or item of tangible personal property offered in the
         bid is unacceptable by reason of its failure to meet the requirements of the
         specifications, or permissible alternates, or other acceptability criteria set forth
         in the IFB.

   ii) Proposals. As used in this section, "proposal" includes both competitive sealed
       proposals and small purchase offers. Unless the solicitation states otherwise,
       proposals need not be unconditionally accepted without alteration or correction
       and the County's stated requirements may be revised or clarified after proposals
       are submitted. This flexibility must be considered in determining whether reasons
       exist for rejecting all or any part of a proposal. Reasons for rejecting proposals
       include but are not limited to:
      a) the business that submitted the proposal is nonresponsive; or
      b) the proposal is not responsive; or
      c) the proposed price is clearly unreasonable; or
d) the proposal failed to adequately address one or more material mandatory requirements as set forth in the request for proposals.

B) Written determination required. A written determination which contains the reasons for the rejection of an individual bid or proposal shall be prepared by the Procurement Officer and made a part of the procurement file. In the case of procurements for information system resources, a written determination which contains the reasons for the rejection of an individual proposal shall be prepared by the Procurement Officer and shall be included as an attachment to the evaluation committee report as a part of the procurement file. Further, a copy of the determination shall also be sent to the nonresponsive offeror.

12.3 REJECTION OR CANCELLATION OF BIDS OR REQUESTS FOR PROPOSALS: NEGOTIATIONS
An invitation for bids, a request for proposals or any other solicitation may be cancelled or all bids or proposals may be rejected in whole or in part when it is in the best interest of the state agency or a local public body. A determination containing the reasons for cancellation shall be made part of the procurement file. If no bids are received or if all bids received are rejected and if the invitation for bid was for any tangible personal property, construction or service, then a new invitation for bids shall be requested. If upon rebidding the tangible personal property, construction or services, the bids received are unacceptable, or if no bids are secured, the Procurement Officer may purchase the tangible personal property, construction or services in the open market at the best obtainable price.

12.4 IRREGULARITIES IN BIDS OR PROPOSALS
The Procurement Officer may waive technical irregularities in the form of the bid or proposal of the low bidder or offeror which do not alter the price, quality or quantity of the services, construction or items of tangible personal property bid or offer.

12.5 RESPONSIBILITY OF BIDDERS AND OFFERORS
If a bidder or offeror who otherwise would have been awarded a contract is found not to be a responsible bidder or offeror, a determination that the bidder or offeror is not a responsible bidder or offeror, setting forth the basis of the finding, shall be prepared by the Procurement Officer. The unreasonable failure of a bidder or offeror to promptly supply information in connection with an inquiry with respect to responsibility is grounds for a determination that the bidder or offeror is not a responsible bidder or offeror.

12.6 PREQUALIFICATION OF BIDDERS
A business may be pre-qualified by a central purchasing office as a bidder or offeror for particular types of services, construction or items of tangible personal property. Mailing lists of potential bidders or offers shall include but shall not be limited to such prequalified businesses.

13.0 CONSTRUCTION CONTRACTS

13.1 CONSTRUCTION CONTRACTS: CENTRAL PURCHASING OFFICE
The award and execution of contracts for major construction, including but not limited to roads, bridges, airports, buildings and dams, shall be made by the Board of County
Commissioners of the County of Catron. The procurement officer responsible for the procurement shall give notice to prospective bidders pursuant to Section 13-1-10 NMSA 1978.

13.2 CONSTRUCTION CONTRACTS: CONSTRUCTION MANAGEMENT SERVICES
A) A construction management services contract may be entered into for any construction or County public works project when the County makes a determination that it is in the public’s interest to utilize construction management services. Construction management services shall not duplicate and are in addition to the normal scope of separate architect or engineer contracts, the need for which may arise due to the complexity or unusual requirements of a project as requested by the County.
B) To insure fair, uniform, clear and effective procedures that will strive for the delivery of a quality project, on time and within budget, the secretary, in conjunction with the appropriate and affected professional associations and contractors, shall promulgate regulations, which shall be adopted by the County and shall be followed by the County when procuring construction management services as authorized in Subsection A of this section.
C) A local public body shall make the decision on a construction management services contract for a County public works project. A state agency shall not make the decision on a construction management services contract for a County public works project.

13.3 CONSTRUCTION CONTRACT: RIGHT TO INSPECT PLANT
A contract or a solicitation therefore may include a provision permitting the County, at reasonable times, to inspect the part of the plant or place of business of a contractor or any subcontractor which is related to the performance of any contract awarded or to be awarded.

14.0 PROCUREMENT UNDER EXISTING CONTRACTS
A) Notwithstanding the requirements of Sections 13-1-102 through 13-1-118 NMSA 1978, the Procurement Officer may contract for services, construction or items of tangible personal property without the use of competitive sealed bids or competitive sealed proposals as follows:
   i) At a price equal to or less than the contractor’s current federal supply contract price (GSA), providing the contractor has indicated in writing a willingness to extend such contractor pricing, terms and conditions to the County and the purchase order adequately identifies the contract relied upon; or
