WHEREAS, the County of Catron Commission recognizes that the financing of public capital projects has become a major concern in New Mexico and nationally; and,

WHEREAS, in times of scarce resources, it is necessary to find new financing mechanisms and maximize the use of existing resources; and,

WHEREAS, systematic capital improvements planning is an effective tool for communities and counties to define their development needs, establish priorities and pursue concrete actions and strategies to achieve necessary project development; and,

WHEREAS, this process contributes to local and regional efforts in project identification and selection in short and long range capital planning efforts; and,

WHEREAS, the Catron County Commission has amended the Infrastructure Capital Improvements Plan (ICIP) for FY 2014-2018 to better serve the public and residents of Catron County.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF CATRON that:

1. The County of Catron Commission hereby adopts the amended Infrastructure Capital Improvement Plan, and,

2. It is intended that the Plan be a working document and is the first of many steps toward improving rational, long-range capital planning and budgeting for New Mexico’s infrastructure.

PASSED, APPROVED AND ADOPTED by the governing body of the County of Catron Board of County Commissioners in regular section at Reserve, New Mexico this 23rd day of January, 2013.
