RESOLUTION 021-2015

WATER AND FUNDS ALLOCATED TO NEW MEXICO UNDER THE ARIZONA WATER SETTLEMENT ACT

WHEREAS, the Catron County Board of County Commissioners represents the citizens of Catron County and represent the interests of the County in all matters affecting the health and welfare of its citizens; and,

WHEREAS, Catron County has a vested interest in the water and funds allocated to New Mexico under the Arizona Water Settlement Act and has the responsibility to ensure that both are utilized to their full potential;

NOW THEREFORE, BE IT HEREBY RESOLVED that the Catron County Board of County Commissioners supports GK Baum’s development plan and/or any other financial development investment plan as approved by the Gila-San Francisco Water Commission because there is a higher potential to grow the corpus of the allocated funds under the Arizona Water Settlement Act and finance more projects than the current Interstate Stream Commission plan.
